

Welcome to the Webinar!

Texas Application for the National Disaster Resilience Competition (NDRC)

January 12, 2015 – 2:00 PM (CST)

Texas Application for the NDRC

Agenda

- I. Introductions
- II. Overview of NDRC
- III. Unmet Disaster Recovery needs?
- IV. Backing it up with Data
- V. Texas NDRC Partnerships
- VI. Funding structure
- VII. Next Steps
- VIII. Q&A

Texas Application for the NDRC

Presenters

Shawn M. Strange

Project Manager, Texas NDRC

Heather Lagrone

CDBG Expert & Director, Special Projects

Katy Sellers

Director, Operations & Public Affairs

Ellen Kinsey

Manager, Program Development

Texas Application for the NDRC

Overview

- U.S. HUD + Rockefeller Foundation
- \$1 Million - \$500 Million Project Allocations
- State is Applicant
- Use Locally Identified Target Areas
- Unmet Disaster Recovery Need

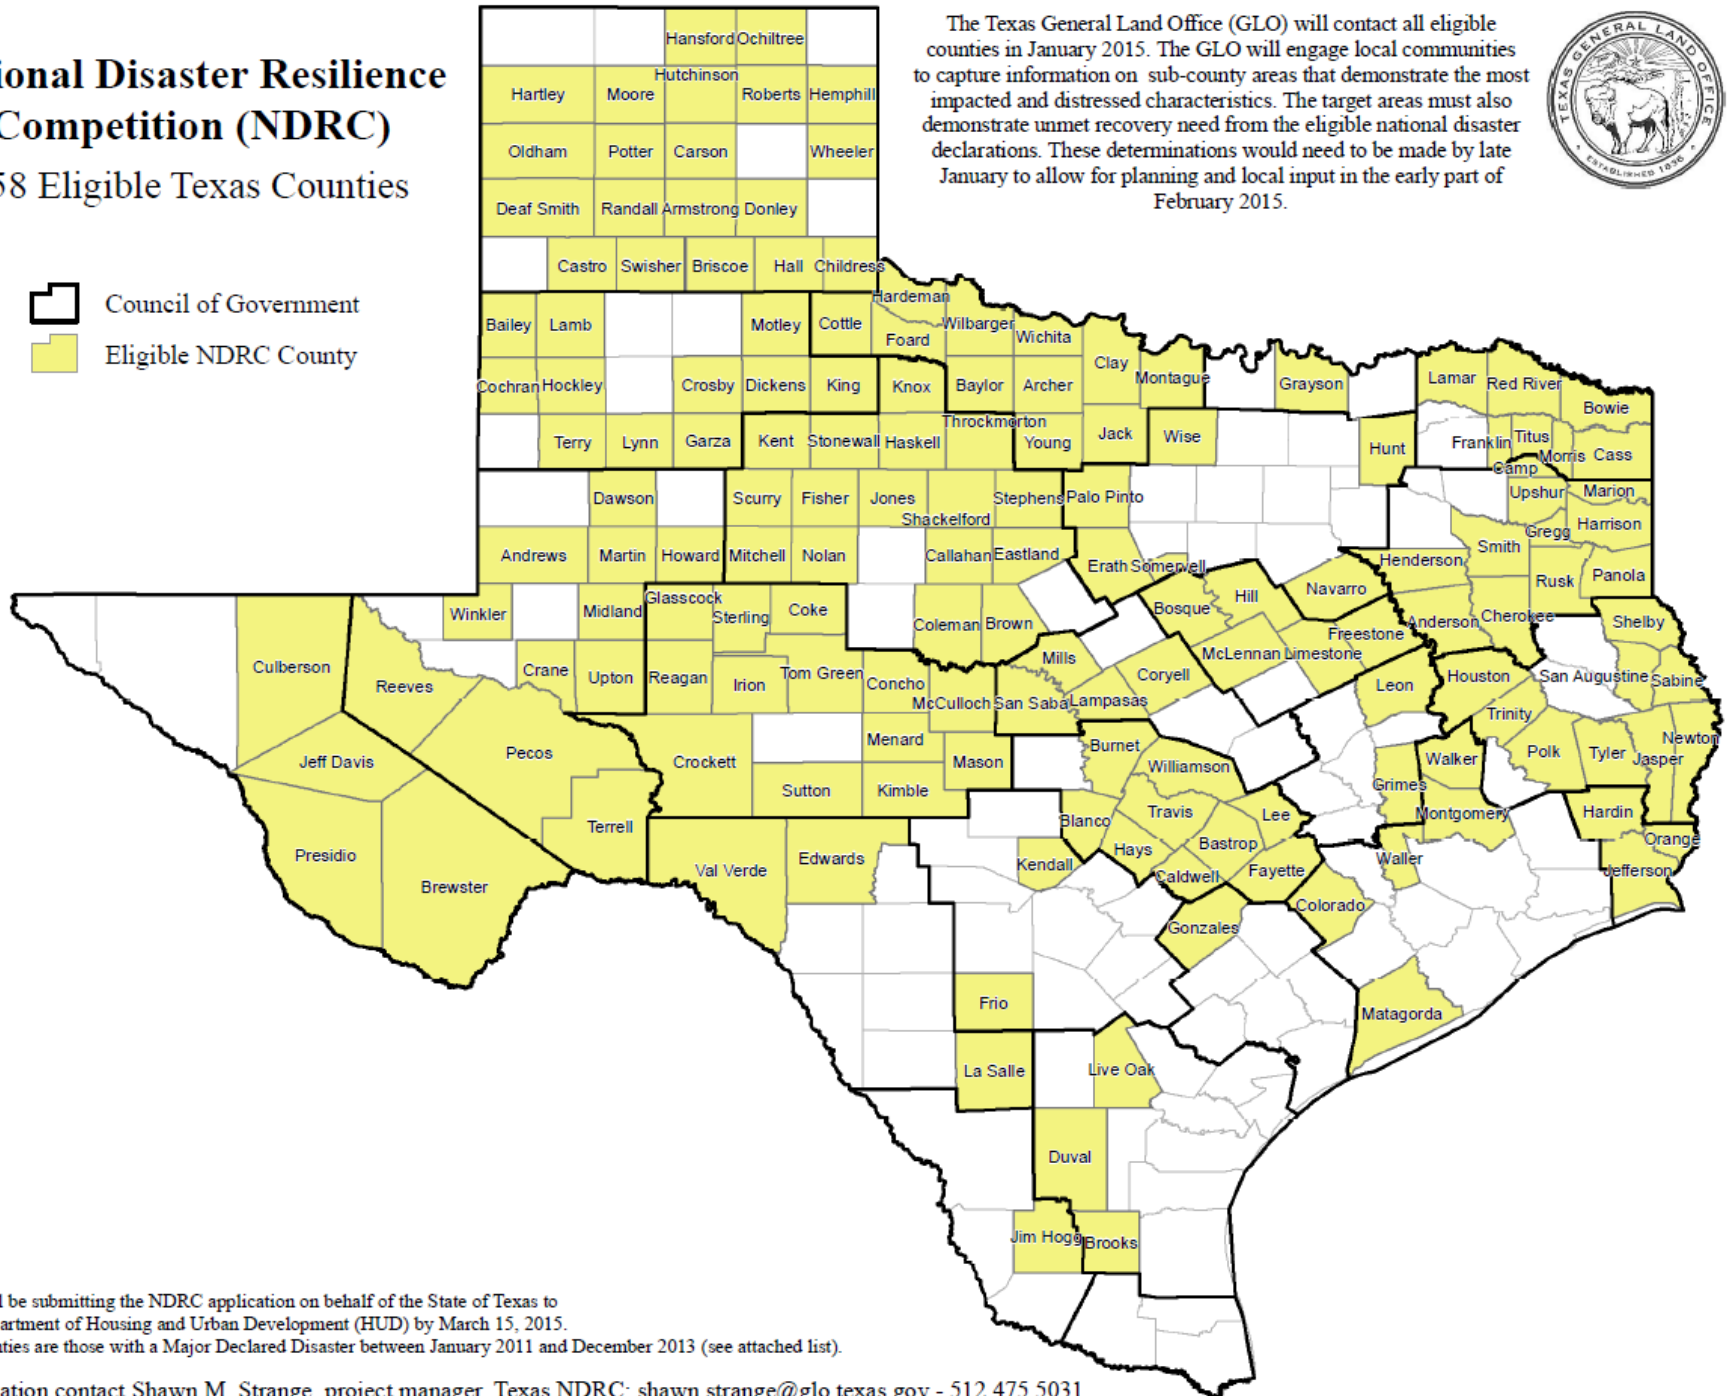

National Disaster Resilience Competition (NDRC)

158 Eligible Texas Counties

The Texas General Land Office (GLO) will contact all eligible counties in January 2015. The GLO will engage local communities to capture information on sub-county areas that demonstrate the most impacted and distressed characteristics. The target areas must also demonstrate unmet recovery need from the eligible national disaster declarations. These determinations would need to be made by late January to allow for planning and local input in the early part of February 2015.

-  Council of Government
-  Eligible NDRC County

The GLO will be submitting the NDRC application on behalf of the State of Texas to The U.S. Department of Housing and Urban Development (HUD) by March 15, 2015. Eligible counties are those with a Major Declared Disaster between January 2011 and December 2013 (see attached list).

For information contact Shawn M. Strange, project manager, Texas NDRC: shawn.strange@glo.texas.gov - 512.475.5031

Texas Application for the NDRC

Application Dates

- **Phase 1:** Submit March 13, 2015
Target Areas & Framing of Concept
- **Phase 2:** 120 Days After Approval
Implementation Design + Project Details

Texas Application for the NDRC

Important Dates

- ID County Target Areas: **1/16/15**
- GLO Eligibility Review By: **1/30/15**
- Coordination w/ Counties: **February**
- Post for Public Comment: **2/23/15**
- Phase 1 Application Due: **3/13/15**

Texas Application for the NDRC Remaining Unmet Need

Needs Result from Qualified Disaster

What would benefit your community's recovery if additional funds were available?

CDBG: Most Flexible Federally Funded Program

- No Match Requirement!
- 2 Years to Expend Funds
- Who is Eligible for CDBG

Texas Application for the NDRC **CDBG Flexibility**

Potential Needs Addressed:

- Roads & Drainage Facilities
- Water & Communication System Improvements
- Employment Training & Health Services
- Housing Activities
- Economic Development & Revitalization
- Planning

Texas Application for the NDRC Process-Based Facilitation

HUD CDBG National Disaster Resilience Competition (NDRC)

Texas needs your help... Identify a sub-county area that demonstrates one characteristic from each of the three below... If you have questions, please contact Shawn M Strange; Email - shawn.strange@glo.texas.gov; Phone - 512.475.5031

* Required

Eligible County Name *

For the NDRC there are 158 Eligible Counties...<<link>>

Primary Point of Contact (POC) Name *

Please provide the name of whom should be contact regarding the response to this form.

Primary Point of Contact (POC) Email *

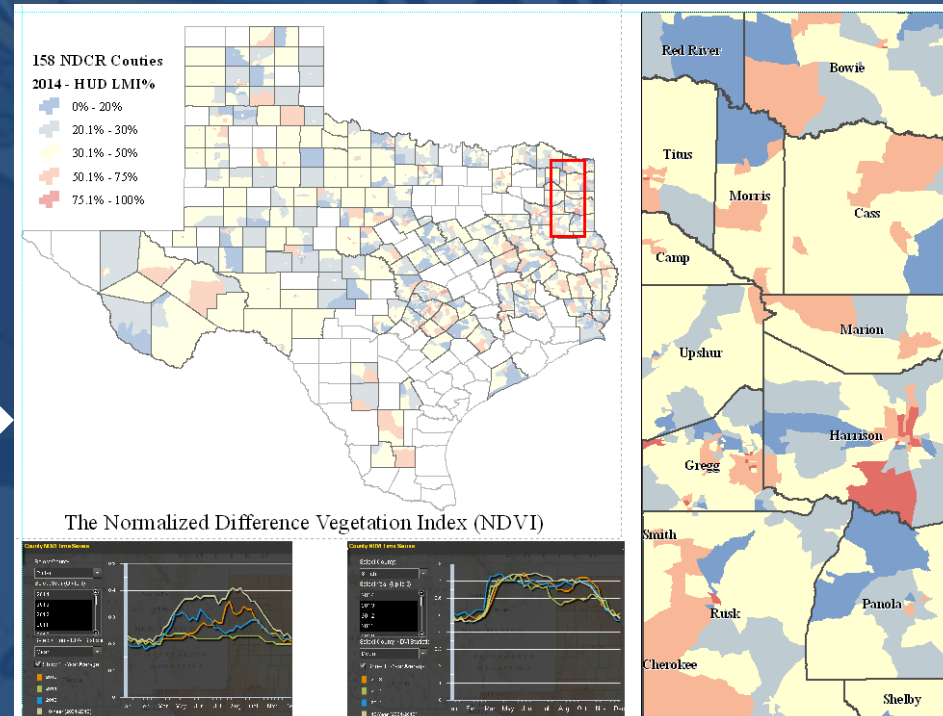

Please provide the email of whom should be contact regarding the response to this form.

Primary Point of Contact (POC) Phone Number *

Please provide the phone number of whom should be contact regarding the response to this form.

Description of Identified Sub-County Area *

Please provide a short description of the location and characteristics of the identified sub-county area.
